FCRA Compliance Assessment

Sample Board & CEO Report — XYZ Foundation (fictional organisation)

Illustrative sample – fictional organisation. XYZ Foundation does not exist. Every answer, score and finding in this report was invented to show what the toolkit produces. It describes no real organisation, past or present.

What this sample shows

The pages that follow are the toolkit's own print-ready Board & CEO report (the Print_View tab), exactly as it prints after an organisation has answered the criteria. Nothing was edited by hand. The profile used:

- a public charitable trust working in education and health in three states, with about 45 staff;
- FCRA-registered, with three foreign donors and field offices in three states;
- preparing for the FC-6F purpose-specific application due by 21 June 2027.

What the buyer receives

Scope	Foreign Contribution (Regulation) Act, 2010, FCRA Rules, and the FC(R) Amendment Rules, 2026
Assessment	180 questions in 4 modules: Registration Readiness, Current Compliance, Governance Integration, and Future Regulatory Readiness (proposed Amendment Bill 2026, scored separately)
Evidence base	1,800 Yes/No maturity criteria (Level 1 to Level 5) across 6 weighted pillars; scores calculate automatically
Outputs	Board & CEO report, Top-10 priorities, 30/60/90-day plan, the Board's five FCRA questions, assurance report, action tracker, FC-6F readiness plan
Registers	Purpose schedule (105 purposes), purpose–geography matrix, key functionary register, ultimate donor register, CFO control calendar
Format	One Excel workbook (26 sheets), single-organisation perpetual licence. Price: US$300

Key dates (as at 30 September 2026)

The FC(R) Amendment Rules, 2026 (S.O. 3272(E)) were notified on 22 June 2026. They make registration purpose- and geography-specific, widen the definition of key functionary and expand Form FC-4. Existing registrants file Form FC-6F by 21 June 2027. Check the current notifications before relying on any date.

Disclaimer

This report and the toolkit are self-assessment and gap-identification aids for educational and governance purposes. They are not legal advice, not an audit and not a compliance certification, and they do not prepare FCRA applications, returns or other filings. Scores reflect the answers entered. For decisions about your own organisation, take advice from a qualified professional. Check the current text of the Act, the Rules and any notifications before acting.

4. Top-10 Priorities

Rank	ID	Topic	Question	Score	Risk	Action	Owner
1	C69	Registration Scope (FC-6F)	Is every new FCRA-funded project or location checked against the approved purposes and States/UTs before approval, with FC-6F approval obtained before work starts in a new purpose or State/UT?	1.00	High	IMMEDIATE (0–30 days): strengthen Registration Scope (FC-6F) — assign an owner and close the 10 specific gaps listed in column N.	Programme + Legal
2	C73	Key Functionaries	Is a Key Functionary Register maintained under the Rule 2(1)(ca) definition and reviewed at least quarterly for appointments, role changes, eligibility, conflicts and disclosures?	1.00	High	IMMEDIATE (0–30 days): strengthen Key Functionaries — assign an owner and close the 10 specific gaps listed in column N.	HR / Secretariat + Legal
3	C01	Registration & Validity	Is the FCRA registration certificate/prior permission currently valid and details reconciled to the FCRA portal?	2.60	High	SHORT-TERM (31–90 days): strengthen Registration & Validity — assign an owner and close the 6 specific gaps listed in column N.	Legal
4	C04	Registration & Validity	Are the approved States/UTs on the certificate reconciled to actual programme locations at least quarterly?	2.60	High	SHORT-TERM (31–90 days): strengthen Registration & Validity — assign an owner and close the 6 specific gaps listed in column N.	Legal
5	C05	Key Functionaries	Are changes in key functionaries identified promptly and intimated within 45 days in the applicable FC-6 series form?	2.60	High	SHORT-TERM (31–90 days): strengthen Key Functionaries — assign an owner and close the 6 specific gaps listed in column N.	Legal
6	C08	Donor Due Diligence	Is every foreign donor identified and documented before acceptance of contribution?	2.60	High	SHORT-TERM (31–90 days): strengthen Donor Due Diligence — assign an owner and close the 6 specific gaps listed in column N.	Finance
7	C13	Banking	Are utilisation accounts opened and operated only as permitted (intimated to MHA, funded solely from the designated FCRA account)?	2.60	High	SHORT-TERM (31–90 days): strengthen Banking — assign an owner and close the 6 specific gaps listed in column N.	Finance
8	C15	Banking	Are monthly bank reconciliations completed and independently reviewed?	2.60	High	SHORT-TERM (31–90 days): strengthen Banking — assign an owner and close the 6 specific gaps listed in column N.	Finance
